

Creating the Best Digital Experience Drives Competitive Advantage

90%

of users expect websites to perform well during peak periods

But They are Often Disappointed!

61%

had a poor experience
on a retail site
during the holidays

38%

had a poor experience
on a travel site
during a peak period

65%

had a poor experience
on a brokerage site
during a peak period

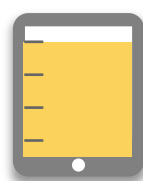

Keep Users Happy and Beat the Competition

60X LOWER
peak response
time

2-3X MORE
throughput

VS

...Simply by Deploying on **Zing**[®]
